NICOLE ANISTON & RAMON NOMAR

"I love to dress up in costume and get seduced and fucked on camera," Nicole Aniston told us in her pre-shoot interview. The A-list XXX star said she wanted to start out the shoot in a conservative look, portraying innocence. From there she wanted her stunt cock, Ramon Nomar, to defile her mouth and pussy with his lengthy pole and turn this innocent girl into a four-star dick slave.

When Nicole arrived at call time, Ramon was already on set and had a chance to make a wardrobe selection. Nicole saw Ramon walking around in a polo player uniform and fell in lust with the look at first sight.

For the on-camera fuck scene, Nicole decided to go with a traditional southern belle look, and said she wanted to play the scene like she was about to lose her prized virginity.

With Ramon and the rest of us waiting with baited breath, Nicole emerged from her dressing room wearing a very sexy, long skirt, blouse and hat ensemble that left all of us with a tight stick in our pants.

Ramon took a seat and Nicole took her place beside him for some establishing shots. Only seconds into shooting Ramon let his animal instinct take over and began lifting Nicole's skirt and peering up at the ass cheeks exposed beneath her thong waistband

Later Nicole would remark later that her only regret is that Ramon removed her retro wardrobe too soon. Before she new it, Nicole was stripped to frilly white lingerie, and her perk, natural tits were in the grips of Ramon's manly hands.

Next it was Nicole's turn to do the undressing. She aggressively ripped off her man's shirt and made quick work of pulling the

cock from his riding pants.
Nicole stroked the hard dick and teased it with ten fingertips, then knelt at Ramon's feet and took the cock into her waiting mouth.

After giving the cock a healthy suck, Nicole looked up at Ramon and said—"I want you to lick my pussy!" From there Nicole took a seat on the chair arm and pulled Nomar's face into her cunt. The blonde slut screamed in ecstasy with each lap of the tongue that dragged across her pink pussy flesh. Ramon feasted on Nicole's box, licking and sucking on her swollen clit as she drew deep breaths and squeezed gently at her hard nipples.

Pushed to her limit, Nicole grabbed Ramon's face with two hands and raised it to her own. She forced her tongue into her lover's mouth and the two lost themselves in a deep kiss. When their faces finally separated, Nicole looked wildly into Ramon's eyes and demanded that he fill her pussy with his straining yardstick.

Nomar seated himself and took Nicole's hands to guide her ass over his lap. In a slow, teasing manner Ramon eased Nicole's pussy onto his hard wood. The sensation of the thick stick piercing the tight lips of Nicole's cunt made her muscles grow tight, and she fought to

rush the entire length of cock inside her. However, Ramon insisted on feeding his dick to her slowly. At last she got her wish and Ramon thrust the cock into Nicole to the base, then pulled back and began repeating the thrusting motion.

The reverse cowgirl fucking was ideal for our camera operator, as he was able to capture the insertion as well as the bliss on Nicole's face every time her pussy erupted from another helacious orgasm.

Ramon let himself fall back as he raised Nicole's legs and pushed them together. This made the grip around his cock even tighter and took the sensation between each of their legs to another level.

The intense multiple orgasm experience began wearing Nicole down, but she made it clear to all of us that she wasn't finished. She climbed off of Ramon, set her elbows on the arm of the chair and lifted her alabaster ass in the direction of her man. Ramon crawled in behind her and pushed his rod into her soaked peach from the rear. Nicole drove her fingernails into the leather as the cock penetrated her cunt, setting off the loud, smacking sound of flesh meeting flesh throughout the set. "You're not so innocent now," Ramon stated in a stern voice with his mouth close to Nicole's ear.

Nicole let out a singular deep moan as the cock-slam induced one more climax, and sticky girl

cream dripped down her legs.

Ramon's breathing grew stronger as he stroked his cock. An experienced screen slut, Nicole knew that is was her time to get into position. She crouched in front of Ramon's junk and clasped her lips around the throbbing meat. She offered a few last lip rolls along the shaft, then pulled the dick from her mouth and jerked his cum load onto her tongue as the camera fired to capture the moment.

The jizz covered Nicole's mouth and spilled down to her tits as she did her best to slurp in every drop and let it ooze down the back of her tongue and pour into her throat.

The on-set crew applauded the scene as Ramon and Nicole thanked each other for an unforgettable fuck.

Before heading off to shower the remaining cum from her warm, glistening body, we told Nicole that she was invited back to shoot with us at any time. The sated, blonde slut pointed at Ramon and said, "If shooting means I get another chance to ride that incredible cock, sign me up now!"

CAUTIONARY TAIL

 The only thing that tasted sweeter than the revenge I took on my dirt-bag, whore-fucking boyfriend, was the cum on my tongue that was delivered courtesy of his archrival's spent cock.

A bit of advice for you guys who want to cheat on your girl, don't go bragging about it like an asshole online. In less than 24 hours after Mark dipped his disgusting dick into some cumdumpster's rotten snatch, my phone was blowing up with my people telling me that fuck face was all over the net talking shit and posting picks of the skank he pounded behind my back.

My first instinct was to cut his balls off and hang them from my rearview mirror. But after taking a breath I decided to choose a slower, and much more painful route to get my revenge.

This is where Rory comes in. Mark was a big time wrestler in college and was undefeated until his senior year. The first wrestler to beat him was Rory, who pinned him to the mat at the state finals. Mark hated Rory for ruining his perfect record and would fly off the

handle anytime anyone even mentioned Rory's name around him. So my plan was simple—I needed to fuck Rory and make sure that Mark, and all of his friends, knew about it!

Executing the plan turned out to be a lot easier than I imagined. I just went to Rory, told him what was on my mind, and he was more than willing to accept my gift of free, no strings attached, pussy. Not only was he down to fuck, but it was his idea to set up a camera and shoot the entire revenge bang.

I showed up at Rory's place, and, after pressing "record" I stripped to my bra and panties, looked into the lens and whipped Rory's dick from his jeans. I closed my eyes and closed my lips around the thick tool and sucked in as the flesh grew hard against my spit-soaked tongue.

The more I thought about Mark eating his guts out while watching his hated enemy fucking my face, the wetter my panties got. It was also a pleasant surprise to discover that Rory had a huge chunk or beef between his legs and I was soon going to be feeling his mighty tool in my cunt.

I fell back and let Rory show off his pussy-eating skills for the camera. His tongue slipped between my lips and lapped up the juice seeping from my crack. The tip of his tongue tickled my clit and I turned to face the camera so my ex could see another man getting me off.

Mark never would let me get on top when we fucked, so naturally when it was time to fill my pussy with cock, I made sure that it was me straddling Rory and riding the hard cock in the superior position. As we fucked I made sure to keep turning my head back to the camera to show off how much I was enjoying the dicking.

I must have came ten times, and, each time a climax overtook me, I screamed louder than the last time, so Mark knew Rory was pleasing me better than he ever could.

For the cum shot, we set things up like we were shooting a porno. I angled the cam close to my face and sucked Bory's dick until he was ready to explode. I jerked his load all over my tits, and as the last pearls of juice ran down my chest I looked to the lens and said—"Hey Mark. How are you doing?"

From word on the street, and some angry messages in my voicemail, I knew that Mark had seen the video with me fucking Rory.

This might all sound like a mean thing to do, but I bet Mark will think twice the next time he gets the urge to fuck around behind some girl's back.

FIX-ATED ON ASS SEX

I was just the local private contractor, and the first time Sari called me was when she bought this old house in town that she got at a fixer-upper price. The original plan was that she and her flancee were going to redesign the place, but when he dumped her in the eleventh hour she quickly became overwhelmed with the workload of repairs.

The first few times I saw Sari I was definitely into her, but I played it straight and kept things professional. About a month into our working relationship I found that I was doing work at her place at least two or three times a week. Sari and I began having extended conversations and she would even make us lunch or dinner when I came over to work.

You know when people are asked sometimes about how a sexual experience came to be, and they say-"I don't know. It just happened!" I always thought that was a load of crap, but when it came to me and Sari hooking up to fuck, that's the only explanation I can offer.

All I remember is that we were having a beer on the staircase and next thing I know Sari's dress is up by her waist, her panties are in my hand and my mouth is plastered to her shaved clam. Sari's pussy juice poured out onto my lips as she took her bare tits into her hands and squeezed at both erect nipples.

Sari crawled onto my lap and opened my pants. My cock sprang to attention and Sari placed her tongue on my balls and slowly dragged it up the shaft towards the bulging tip.

I didn't feel any teeth at all as my wood disappeared between Sari's lips. One of her very soft hands clamped gently on my balls as her tongue held my cock tight to the roof of her mouth.

We were both reaching our boiling point and looking to raise the heat even further, so I bent San over and popped my hard-on into her slippery snatch. Sari backed her ass up towards me and I took her hips into my hands and tore into that pussy with all my might. Each time my pipe struck deep, Sari let out a moan. I kept my fucking going at a wild pace and suddenly I was overcome with the desire to pull my dick from her cunt and shove it up her ass. Taking my tool into my hand, I smeared some of her cunt juice across her bunger and pushed the head inside her tight butthole.

Sari completely gave in to taking my cock in her butt, and I drove my hips into her ass to the point where my balls were pressed to her rump. I spanked Sari as my cock stretched her tiny asshole to its limit.

I was about to cum in San's ass, but she eased the cock from her rear, turned towards me and insisted that I jerk off on her face.

With my palm at the base of my dick, I stroked my meat until jet streams of jizz began splattering against her lips

and cheeks. Sari tilted her head back and spooned the cum off her face and into her mouth.

The fixing-up is almost finished, and the biggest edition to the house came when I moved in and Sari and I became a couple. By now I've parked my cock in her sweet ass in every room of the home, and I'm dropping loads in her pretty mouth at least once or twice a day.

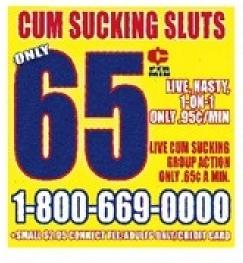

I am grateful to Sari for always making me feel welcome in her home, and for always welcoming my hard dick in her ass.

Velvet Presents The Video World Report With Alexis Ford

In this feature XXX
superstar Alexis Ford
will be bringing you the
411 on the hottest and
dirtiest porn releases,
and taking you behind
the scenes for an
exclusive look at the
XXX sluts who work so
hard to get you off.

STARRING: Alexis Ford, Darcy Tyler, Phoenix Marie, Jayden Cole, Lily LaBeau DIRECTED BY: Stuart Canterbury AVAILABLE FROM: Adam&Eve/ LFP RUNNING TIME: 100 Minutes DVD EXTRAS: 2-D and 3-D versions, trailers, slide show, behind the scenes

I'm really excited to tell all of you about my latest release. This Ain't Jaws XXX. It features what I believe to be some of the hottest onscreen fucking of my career, and it was definitely the most fun I ever had shooting a movie.

28 VELVET

One of the reasons this parody was so special for me was because I finally got to sample the long, thick cock of Evan Stone; but more about that later.

The scenes on the water were shot on green screen and the set was a boat built specially for filming. The biggest challenge we faced while shooting on this set was being able to stay standing up while people were shaking the boat to create the look that we were really on the water.

What I was really impressed with was how Stuart the director and the crew were able to make the shark look so realistic on screen. You should make a point of checking out the behind the scenes feature on the DVD to see what it was like for us shooting the movie. I am really proud of how hard everyone worked to make This Ain't Jaws XXX a success, and I know all of my fans are going to love the movie.

Of course the most important part of any porno is the quality of the fucking on screen, and I am happy to report that you all will have plenty of sizzling banging to jerk off to from the start of the movie to the end.

My girl Lily LaBeau and Danny Wylde sneak away from a beach party for a one-on-one banging. From off-set I had the chance to watch this scene go down and I was definitely getting warm and wet between my legs seeing Lily spread her thighs and take Danny's pole. I've fucked Danny before on camera and I know how skilled he is at hitting that special spot in the pussy. So I knew that Lily wasn't faking it when her moans and screams filled the room, growing louder with each thrust of cock that rammed her cunt.

I have long been a fan of Phoenix Marie. For my money she is just as hot, and fucks just as hardcore as she did when she was new to the business. I was happy to hear that she was also cast in the Jaws parody, and I made a point of being on set when she was scheduled to shoot her scene in the cabana with Rocco Reed. My pussy just starts creaming when I see a hot girl with a nice round ass and big, firm tits like Phoenix, and I was literally fighting the urge to reach into my panties and rub one out. when Phoenix wrapped her sex lips around Rocco's hard cock. The fucking in this scene is off the chart and, in my opinion, one of the standout scenes in the movie. The action ends with Phoenix taking his load on her face and sits.

I remember jerking myself off every night for at least a week replaying that scene in my head.

Jayden Cole is a true bi-sexual babe, and I had been looking forward to our girl/girl scene for a while before the shoot day. When it was time to get down to business Jayden and I ripped each other's clothes off and attacked each other's pussies with our fingers and tongues. Jayden's wet box let me know that she was appreciating my oral talents, and I have to say that I was quite impressed by her pussy eating prowess as well.

Once our curts were heated up, we broke out the toys and fucked ourselves into orgasmic bliss. I can't speak for Jayden, but I can tell you that I experienced about a dozen orgasms shooting that scene. #satisfied!

Another scene I want to give you guys a heads-up about is the boy/girl slam between Darcy Tyler and Dale DaBone. Darcy is a truty beautiful girl and she has exactly what it takes to be a big, big star in porn. I have always had a crush on Dale, so watching these two together was going to be a treat for me. I didn't get to watch this scene live, but I did watch the playback with some of the crew the next day and the footage was getting us all hot and horny.

The last fuck in the movie belongs to

The last fuck in the movie belongs to Evan and me, and, as I told you, this was the first time my pussy would experience this legendary wood. But, before I would be taking Evan's dick in my snatch, I wanted to feel the girth of his golden rod against my tongue. The cock slipped deep into my throat and I stretched out my tongue to lick his balls as he fucked my mouth.

Evan let me take the lead in the scene and I climbed onto his standing stick, riding it in the cowgirl position. Before the scene Evan and I were talking about how much we were anticipating working together, and the chemistry was perfect from the moment he pushed his tongue into my mouth when the cameras began rolling and he pulled me towards him so I could feel the pipe in his pants pressed up to my sit.

We fucked for a good, long time before I sensed that his nut was about to explode. I kneeled in front of Evan so he could fuck my tits until his spunk was erupting all over me. Another cool thing about This Ain't Jaws

Another cool thing about This Ain't Jaws XXX is that you can also watch the movie in 3-D, so you can feel so close enough to the action that you could reach out and slip your fingers right into my pussy!

I really think you are all going to like This Ain't Jaws XXX, and I highly recommend this movie to all of the Velvet readers.

xxx -Alexis

Tales From The

Before any sets were built or cameras started roiling, there was a huge buzz circulating around what is certain to be one of the most celebrated pornos of 2012. With ace director Axel Braun at the helm and the Vivid Pictures machine backing the bigbudget production, I knew this release was going to be epic. So, I begged, borrowed and stole my way onto the production to get some firsthand, inside dirt on this history making parody. In the role of Princess Leia is Vivid contract star Allie Haze. I figured hitching my

in the ideal position to see how the XXX movie making magic was going to go down. With Allie dressed in the classis robe and Leia hairstyle, I made my approach and request a few moments of her time. After a suspicious looking over, Allie gave me the go ahead. Star Wars fans take the series, and the characters in the movies, very seriously. To this point I asked Allie Haze if she felt any pressure bringing the iconic role of Princess Leia into the porn arena? "Oh yeah! I was glad that I was already a fan of the series and had knowledge

40 VELVET

on the character that Princess Leia was. I sure hope I did her justice and can't wait to hear what the fans think!"

Princess Leia gets dicked twice in the script. One is a blow job scene with Darth Vader (Lexington Steele), while the last fucking in the flick pits Allie against the straining sabers of Rocco Reed (Han Solo) and Seth Gamble (Luke Skywalker). The sets and wardrobe are quite well done, and portray a very accurate and respectful tribute to the original. Watching the major porn stars fuck in the costumes of Star Wars characters is hot on many levels. I asked Allie if the "roleplay" element in the sex scenes raised the heat level of the fucking for her as well?

"It was definitely something different." [laughs] "I didn't realize how hot it all actually was until I saw all the photos though. Mmm mmm good stuff!"

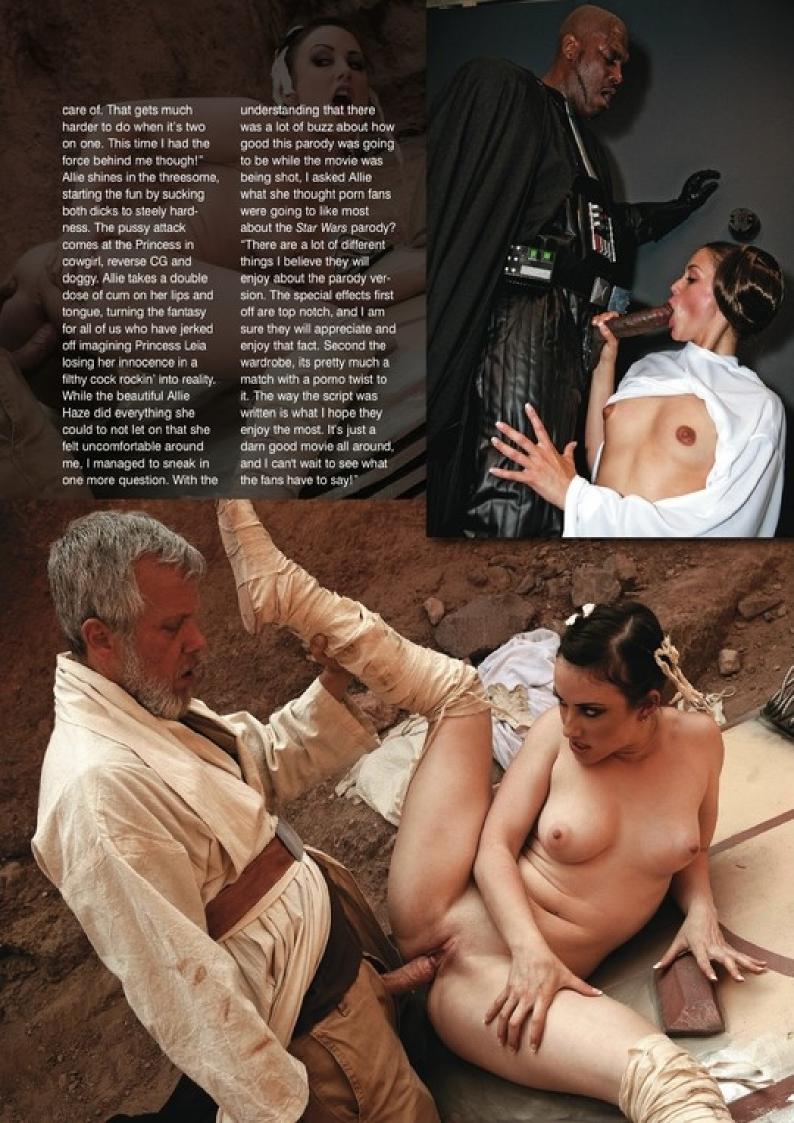

The major awards shows might want to consider Tom Byron's work as Obi-Wan when putting together their nominee lists next year. Byron looks and sounds the part, and his porking of Jennifer White might just be the hottest fucking in the movie. The three-hole turnble is sweltering enough to bring even the most prudish Star Wars fan over to the dark side, and the facial finale is bound to leave viewers wiping webs of goo from their fingers.

Rumors were circulating throughout the industry as to how Axel was going to put a porn spin on the famous cantina scene, which was a highlight of the original. Byron's acting and the spot-on depiction of the band make the scene fly. while A-list sluts Kimberley Kane and Aiden Ashley bring the dirty in a sultry beaver-on-beaver bounce. Another sexual encounter born from the cantina is a fuckfest foursome with alien chicks Rihanna Rimes and Gia DilMarco taking the intergalactic pole from Derrick

Pierce and Danny Wylde. This fuckathon holds all of the elements of a standout pounding, and the scene lives up to its potential. Rihanna and Gia both get. fucked into orbit, and bring the session to a neat landing by getting matching cum bath's on their faces. If there is a category for a fuck scene that will get you off as well as give you nightmares, the winner would have to be Eve Laurence and Brandy Aniston's threesome with Chewbacca (Dick Chibbles). In full Chewie costume, Chibbles makes Eve and Brandy's pussies drip with cream as the fur flies and the girls get their share of Wookie wood. The fore-mentioned threesome with Allie, Rocco and Seth rounds out the sex, and the tryst certainly takes us out on a high (and sticky) note. With the scene in the can, I asked Allie what turns her on the most about working two cocks at the same time? "There is definitely a lot more to pay attention to. which I love! Although it can be overwhelming too, I am a sexual pleaser, and I love to make sure my partner is always happy and well taken

id it bother me that he was twice my age—at least or that he was said to have had peculiar tastes in the past that quite probably had not subsided? Not at all. Did I mind that he is rumored to have whored himself out to make money to buy whores? No. Was I ever fazed by the fact that for twenty years he has been in a marriage in which his wife is happy to sit in the audience and eat confectionary while he fucks other, younger, blonder, softer things in ways that were illegal in most states? Never.

Steve Holmes is a legend.

"He's the best anchor for a double penetration," my

boyfriend had said. It was 2009 in Vegas and the porn awards were well underway. Croppings of pomstars surrounded the circle bar, the great meeting place of all things adult from the first Sunday in January to the second Sunday every year. Stoya was looking for references. A good anchor on the bottom could make or break the sex. "And who else," Stoya asked. He sucked the last bit of liquor off the ice in his glass and slid it back across the bar. James Deen," he answered easily. With that, she picked the two

out of the crowd and led them by the hand back to her room.

She said she needed to practice. Later she reenacted it on set for the world to see, and even later, in a cramped vegan joint in New York, she told me of the things the camera had missed.

"Steve Holmes is a filthy, filthy man." Stoya offered with a smile. I leaned in and asked for more. Each story became bigger than the last, and then it was dark outside. The bill came and we paid, then I watched her leave with that catwalk, that black leather and that smile. When she was gone I texted frantically to the people who made things happen—get me Steve Holmes.

The man lives in Budapest. He has two grown children, two dogs, and the wife. He shoots regularly and lives large. His time in the states is contained and in demand. A year went by. Then last month I got a text from production at Digital Playground. They were booking my next movie, going over wardrobe, scripts and actors. It read—"Will you work with Steve Holmes?" I responded with an ecstatic and resoundingly clear—"Yes!!!"

Two weeks later I sat on set posting pictures to Twitter and reading my lines. Something changed in the air and I looked up. It was his back I saw first. He moved languidly down the hall towards the production room. I knew it was him by the walk. It's the same walk that Stoya moves with—that loose-in-the-hips swing of confidence and obscene knowledge and ease. When he turned to me he had the bluest eyes. They were innocent looking with their openness. He hugged me warmly and then slid his palm slowly down to the small of my back and pulled me in. I could feel the head of his cock pressed purposefully between our thighs.

From that moment to the final call for "action" there was an awareness. I could feel where he was from the dining room table to the patio, and lastly to the little tape mark on the floor he was supposed to land on when he entered frame. Something like static had built up between us and there was a pull. Between dialogue takes his hand brushed over the back of me and his mouth found my ear. "Are you dirty?" He whispered in that thick German accent. I smiled at the ground.

In the bedroom while they lit and prepared the room for sex he stood over me with all that lanky height. They moved us to the edge of the bed and we were told to stay still while they centered their frame. He looked me up and down and made one of those soft faces that doesn't prepare the listener for what comes next. Dropping the weight of his cock into my hand he said, "you look like you could be my little daughter." My spine quivered with the hard-hitting taps of that accent on each syllable.

What can I tell you about the sex? That it started before the camera says it started? That the best things about it did not fit on the lens? That all that length and girth slipped in way too easily? I can tell you that he put his fingers so deep in my ass that I was afraid

presentation had to be delivered the following day. So there was no absence of things to discuss over dinner, and we even made plans to regroup that evening at Steve's room to make sure we were all on the same page when we met with the investors early the next morning.

In Steve's room that night we were all gathered around my laptop and going over bullet points. I was crouched with my back to the guys and after a few minutes I felt the three of them grow silent. I turned my head and caught all three of them gazing at my ass. I didn't realize that, because I was crouched, my thong and about three quarters of my ass cheeks were exposed. For a quick second my face ran red with humiliation for being revealed in front of my co-workers like that. But quickly enough the perverted side of me took over. I giggled and made a joke out of it, and I could tell by the way the three pervs had their hands folded over their crotches that they were doing their best to conceal raging hard-ons.

I stood up, grabbed one of their hands, (I'm not even sure which of the guys it was) and placed it on my butt. From there all hell broke loose and all three of them just started peeling the clothes from my body. Once undressed, I helped the boys get the dicks out of their pants.

Sitting on the edge of the bed, I took a hard cock into each of my hands and opened my mouth so stick number three

could poke my tonsils. I closed my eyes as cocks swapped in and out of my hands and mouth. My spit mixed with the sticky fluids leaking from the trio of veiny spears as my tongue sampled the sweet taste of multiple dicks penetrating my lips.

With a single cock filling my mouth, I was lifted onto the bed on my hands and knees. With my mind focused on sucking dick, I didn't even realize that I was being mounted until the thick tip of another prong was pushed between my pussy lips. My body launched forward and the long pole

crept deep into my throat as the dick in my cunt rammed me deeper and harder. It was then that I felt the swells of an orgasm bringing warmth between my legs.

As wild as I had been, this was the first time I had been with more than one man at the same time. Taking dick in my mouth and pussy at the same time had me more excited and turned on than I have ever been. I thought I had been pushed to the edge as far as how much stimulation I could take, so I got a little nervous when I experienced the sensation of one more cock being edged into my ass. At first I had doubts that I could even take three cocks, but, sure as hell,

there I was wrapped up airtight.

As my face, ass and pussy were simultaneously getting spanked with cock I started cumming and literally lost track of how many times my muscles stiffened from the orgasms that poured through me one after the other. Eventually I couldn't take another thrust and I fell limp onto the bed.

Exhausted, I looked up to see the boys standing over me and stroking their dicks. One at a time they dumped cum loads onto my face as I caught my breath.

Word never got out back at the office about my foursome in San Diego (probably because at least two of the guys are married). The trouble that did come out of my lost weekend is that I don't get turned on by one-on-one sex anymore. I'm now on a

steady diet of threesomes and foursomes, and I'm entertaining the idea of submitting to a full-blown gangbang.

There's no sense in denying it or trying to kid myself anymore. I am a slut. So guys, if you are looking for monogamy or some sweetheart you can introduce to your parents, keep walking. However, if you are into chicks that just can't get fucked enough and long to take the cock of any and all cummers...then I'm the girl for you!

Mophisto's Erotic Subliminal Scripts Available on CD's and Tapes; These HIDDEN SUBLIMINAL MESSAGES have seduced and overcome Sexual Hang-ups in millions of women since 1983.

WHAT ARE SUBLIMINALS? HOW DO THEY WORK?

Just like hypnesis, Subliminal Messages secretly sneak past the conscious mind, and penetrate deep into the subconscious, where all fantasies and sexual impulses originate.

A FAMOUS EXPERIMENT

Was conducted in the 1950's. The experiment took place in a movie theater where the words "EAT POP CORN" Were flashed soquickly during the movie that no one noticed, but popeom sales climbed dramatically. This proved that subliminal messages influence HUMAN BEHAVIOR, SO POWERFUL that the U.S Government bans their use for advertisement in Television, and Movies. MEPHISTO has developed a series of Subliminal Scripts that deal exclusively with female Sexual seduction and overcoming sexual hang-ups and taboos that spoil great sex. MEPHISTO'S SUBLIMINAL SCRIPTS

Are extremely effective because each script is directed at a very specific topic and addresses every possible reason that a woman might have for rejecting these new sexual ideas. FACT: these new sexual ideas resurface as her

Subliminal messages work whether you've known her 10 minutes or 10 years!
